

Imo[®] Pump **Minor and Major Repair Kits**

IMO Pump Repair Parts are only sold in **Minor Kits** (seals, bearings, gaskets, o-rings), or **Major Kits** (contains all wearing parts including Minor Kit parts).

Applied Process Equipment is a stocking distributor for many IMO pump repair kits. Typical delivery 2 weeks or less. In many cases deliveries can be expedited when required.

Call 480-998-4097, or Email sales@apewater.com.
